Report on the Financial Statements

We have audited the accompanying financial statements of Children's Forum, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2016 and 2015, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Children's Forum, Inc. as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedules of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 15, 2016, on our consideration of Children's Forum, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Children's Forum, Inc.'s internal control over financial reporting and compliance.

Children's Forum, Inc.
Notes to Financial Statements

NOTE 1 – NATURE OF OPERATIONS

Children's Forum, Inc. (the Forum) is a statewide, not-for-profit organization whose mission is to make Florida a quality child caring state. Through federal and state contracts and private contributions, the Forum functions as a service-based clearinghouse of information, data, research, advocacy, and training for the state's early care and learning industry. The Forum receives funding for its programs primarily from federal government grants. Thus, it is dependent on the federal government and the State of Florida's ability to honor its federal pass-through contracts to continue to fund its operations.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Forum presents information to assist in understanding the Forum's financial statements. The accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Accounts Receivable

Accounts receivable are stated at unpaid balances, less an allowance for doubtful accounts. The Forum provides for losses on accounts receivable using the allowance method. The allowance is based on experience, third-party contracts, and other circumstances, which may affect the ability of grantors to meet their obligations. Receivables are considered impaired if full principal payments are not received in accordance with the contractual terms. It is the Forum's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected.

Property and Equipment

Property and equipment with an original cost in excess of \$1,000 are recorded at cost less accumulated facilities and usage allowance. Facilities and usage allowance is computed using the straight-line method. Assets are depreciated over their estimated useful lives of 3 to 40 years.

Income Taxes

The Forum has been granted exemption from income taxes under Section 501(c)(3) of the Internal Revenue Code, except on unrelated business income. Accordingly, no liability for income taxes is reflected in these financial statements.

Revenue Recognition

Revenue on cost-reimbursement contracts is recognized when the related expenses are incurred. Revenue on fixed-price contracts is recognized as the related expenses are incurred, except for the excess revenue on fixed-price contracts, which is recognized when all deliverables have been provided. Revenue from membership fees is recognized during the membership period.

Children's Forum, Inc.
Notes to Financial Statements

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the estimated programs and supporting services benefited.

Management Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the statement of financial position. Actual results could differ from those estimates.

Subsequent Events

Subsequent events have been evaluated through the date of the independent auditors' report, which is the date that the financial statements were available to be issued.

NOTE 3 – CASH AND CASH EQUIVALENTS

Cash and cash equivalents typically include all short-term, highly liquid investments with original maturities of three months or less. Cash and cash equivalents, which include cash in bank and money market accounts, are maintained at multiple financial institutions at June 30, 2016, which are each insured by the Federal Deposit Insurance Corporation up to \$250,000. The Forum had approximately \$96,663 uninsured at June 30, 2016.

NOTE 4 – ACCOUNTS RECEIVABLE

Accounts Receivable

Accounts receivable balances consist of amounts billed to funding and grant organization for reimbursement of costs incurred in fulfillment of a contract. Due to the nature of the underlying contracts and historical collection results, management considers the balance to be fully collectable, therefore, no allowance has been established.

Accounts Receivable - Other

Accounts receivable - other balances consist primarily of expenses incurred relating to reimbursement based contracts, which management believes all conditions have been met to bill for reimbursement and recognized as revenue at year end, but due to timing have not been billed. Due to the nature of the underlying contracts and historical collection results, management considers the balance to be fully collectable, therefore, no allowance has been established.

Notes to Financial Statements

NOTE 9 – INCOME TAXES

The Forum utilizes the accounting requirements associated with uncertainty in income taxes using the provisions of Financial Accounting Standards Board (FASB) ASC 740, Income Taxes. Using that guidance, tax positions initially need to be recognized in the financial statements when it is more-likely-than-not the positions will be sustained upon examination by the tax authorities. It also provides guidance for derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. As of June 30, 2016, the Forum has no uncertain tax provisions that qualify for either recognition or disclosure in the financial statements.

NOTE 10 – OPERATING LEASE

The Forum leases office space under an operating lease that expires in fiscal year 2018.

**SINGLE AUDIT AND
AUDITOR GENERAL REPORTS**

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To the Board of Directors
Children's Forum, Inc.
Tallahassee, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Children's Forum, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2016, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 15, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Children's Forum, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Children's Forum, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Children’s Forum, Inc.’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND
CHAPTER 10.650, RULES OF THE AUDITOR GENERAL**

To the Board of Directors
Children's Forum, Inc.
Tallahassee, Florida

Report on Compliance for Each Major Federal Program and State Project

We have audited Children's Forum, Inc.'s compliance with the types of compliance requirements described in the OMB Compliance Supplement, the requirements described in the Department of Financial Services' State Projects Compliance Supplement, and special audit guidance provided by the Office of Early Learning, that could have a direct and material effect on each of Children's Forum, Inc.'s major federal programs for the year ended June 30, 2016. Children's Forum, Inc.'s major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Children's Forum, Inc.'s major federal programs and state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); Chapter 10.650, Rules of the Auditor General; and special audit guidance provided by the Office of Early Learning. Those standards, the Uniform Guidance, and Chapter 10.650, Rules of the Auditor General require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program and state project occurred. An audit includes examining, on a test basis, evidence about Children's Forum Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state project. However, our audit does not provide a legal determination of Children's Forum, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Children's Forum, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2016.

Report on Internal Control Over Compliance

Management of Children's Forum, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Children's Forum, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program and state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and state project and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Children's Forum, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.650, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.

Accounting Policies, Judgments and Sensitive Estimates & CRI Comments on Quality

We are required to communicate our judgments about the quality, not just the acceptability, of the Forum's accounting principles as applied in its financial reporting. We are also required to communicate critical accounting policies and sensitive accounting estimates. The Board may wish to monitor throughout the year the process used to compute and record these accounting estimates. The table below summarizes our communications regarding these matters.

AREA	ACCOUNTING POLICY	CRITICAL POLICY?	JUDGMENTS & SENSITIVE ESTIMATE	COMMENTS ON QUALITY OF ACCOUNTING POLICY & APPLICATION
Expenses	Based on our procedures with respect to the Forum's expenses, the Forum allocates expenses between program and supporting services as required by the AICPA Audit & Accounting Guide for Not-for-Profit Entities.	X	<p>The Forum reports expenses based on its functional classification.</p> <p>The allocation between program and supporting services is based on a combination of direct and indirect allocation of expenses as detailed in our Cost Allocation Plan (CAP). Indirect and/or shared expenses are allocated using either "Full Time Equivalents" or employee time records.</p>	The Forum's policies are in accordance with all applicable accounting guidelines.
Capital Assets	Based on our procedures with respect to the Forum's capital assets, the Forum depreciates capital assets using the straight-line method as required by generally accepted accounting principles.	X	Capital assets are depreciated over their estimated useful lives. Useful lives are estimated based on experience with similar assets and guidance provided by the AICPA Auditing & Accounting Guide.	The Forum's policies are in accordance with all applicable accounting guidelines.

Summary of Audit Adjustments

During the course of our audit, we accumulate differences between amounts recorded by the Forum and amounts that we believe are required to be recorded under GAAP. Those adjustments are either recorded (corrected) by the Forum or passed (uncorrected).

There were no corrected or uncorrected adjustments for the year ended June 30, 2016.

QUALITATIVE MATERIALITY CONSIDERATIONS

In evaluating the materiality of audit differences when they do arise, we consider both quantitative and qualitative factors, for example:

- Whether the difference arises from an item capable of precise measurement or whether it arises from an estimate, and, if so, the degree of imprecision inherent in the estimate.
- Whether the difference masks a change in earnings or other trends.
- Whether the difference changes a net decrease in assets to addition, or vice versa.
- Whether the difference concerns an area of the Forum's operating environment that has been identified as playing a significant role in the Forum's operations or viability.
- Whether the difference affects compliance with regulatory requirements.
- Whether the difference has the effect of increasing management's compensation – for example, by satisfying requirements for the award of bonuses or other forms of incentive compensation.
- Whether the difference involves concealment of an unlawful transaction.

**INTERNAL CONTROL
RECOMMENDATIONS**

The Board of Directors and Management of
Children's Forum, Inc.

In planning and performing our audit of the financial statements of Children's Forum, Inc. ("the Forum") as of and for the year ended June 30, 2016, in accordance with auditing standards generally accepted in the United States of America, we considered the Forum's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Forum's internal control. Accordingly, we do not express an opinion on the effectiveness of the Forum's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.
