EARLY CHILDHOOD POLICY WORKS FELLOWSHIP POLICY ANALYSIS WORKSHEET

Use the framework below to help you envision policy solutions with potential ramifications and outcomes considered. The framework is intended to be used for thinking through critical issues in the policy development phase and serves as a beginning point.

1. POLICY FOCUS	2. GOAL	3. DESCRIPTION
What issue(s) does this policy	What does the policy propose to achieve?	Outline the main components of the
address? Proposed policy lever	achiever	policy, e.g. <i>Provide skills training to</i>
(statute, rule, regulation)		early learning workforce through an
	Cht t	apprenticeship program.
	Short-term:	
	Long-term:	
	Long-term.	
4. STRENGTHS	5. GAPS	6. CHALLENGES
What does the policy do well?	What's missing from the policy? How	What are the potential challenges
, , , , , , , , , , , , , , , , , , ,	would you make this policy more	this policy could face? e.g. Political
	effective and complete.	buy-in, who will oppose, funding,
	p	implementation.
		,
7. FUTURE CHALLENGES	8. IMPROVEMENTS	9. INNOVATIONS
How might the continuing	What improvements could be made	What are some new policy ideas that
evolution of the work affect the	to the policy? What would you	show promise (perhaps from another
future success of the policy?	change?	state or country)?
