SUMMARY OF MOST RECENT ACCREDITATION DECISION
At its June 2019 meeting, the Commission renewed the institution's accreditation. The Commission's decision was based on the institution's self-evaluation report, the Chair's Report, and the institutional response to the Chair's Report. After careful consideration of the entire record of the current application for accreditation process, the Commission determined that the institution is in compliance with the standards of accreditation. This institution will undergo another comprehensive review for its next renewal of accreditation by June 2024.
